Dear Mr A. Banda

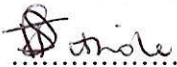

**RE: REGISTRABILITY OF BITE FREE INSECT REPELLENT**

We refer to your enquiry on the registrability of the above-mentioned product as a complementary medicine.

The product does not make any medicinal claims nor purport to treat ailments and as such cannot be classified as a complementary medicine, according to Statutory Instrument 97 of 2015. Therefore the product does not require registration by the Authority for it to be marketed in Zimbabwe.

Yours faithfully,

**MEDICINES CONTROL AUTHORITY OF ZIMBABWE**
